Therapist Retention

Nexus Tackles Therapy Staffing Issues with a **SUCCESS** approach

In a time that job dissatisfaction in the healthcare industry is at an all time high, Nexus strives to **RETAIN** employees by promoting a healthy work environment.

EMPLOYEE SUCCESS PROJECT

Individual acknowledgement via a 1:1 moment with their Regional Director gives opportunity for

- 1) Relationship building
- 2) Professional growth guidance
- 3) Therapists feel heard and appreciated for their accomplishments

Clinically strong, appreciated therapists love their jobs and achieve outstanding patient outcomes!

Greg Arnold, Founder and President of Nexus Therapy Management, discusses the Nexus facility-first, non-revenue sharing model with Jack Silverstein of Skilled Nursing News.

CMS educates beneficiaries about Cognitive Assessments and Services

“Medicare cares about your health. If you’ve had trouble remembering things, concentrating, or making everyday decisions, Medicare Part B covers a visit with your doctor or a specialist to talk about it and do an exam.”

Nexus MD Cognitive Referral Tool

NEW!!! Nexus has developed a SLP education tool to increase MD office visit referrals for cognitive intervention to your facility. Have your marketing team place this tool in the hands of the MD & their office staff.

Talk with your Regional Director for more info!
